

newhouse

## HOME ISN'T A SAFE PLACE FOR EVERYONE THIS HOLIDAY SEASON.

For many families, Newhouse is their temporary home.

You can make the holidays special for the brave survivors of domestic violence at Newhouse by donating to ensure children and adults have a holiday they will remember.

**At Newhouse, we believe all people deserve a life free from domestic violence.** Thank you for helping to bring this vision to life! We are so grateful to the NAWBO KC community, who also believes in a bright future for survivors.

Newhouse is Kansas City's first domestic violence shelter. All contributions are 100% tax deductible. Missouri residents may also be eligible for a 50% state tax credit beyond the federal deduction.
